# Engaging & Retaining SUD Patients in Healthcare

**October 12, 2023**  
**8 a.m. - 9 a.m.**  
***Virtual Event***

## Overview

Intersection of adverse social determinants of health and substance use disorders," focusing on how the former leads to, and complicates recovery from, the latter.

## Presented by

Joseph Neil Rahan, M.D.  
Medical Director

Dr. Ragan is the Medical Director at the Health West Pocatello Family Medicine residency clinic where he sees patients and teaches in the residency program. He has a special interest in underserved populations, including ensuring comprehensive and sensitive care for LGBT people.
